

Drama Club Schedule and Auditions

Thanks for signing up to be a part of drama club this year please review the important information below.

This year Drama Club will be performing

Aladdin Jr.

Drama will meet on Monday afternoons from 3:00 - 4:30pm with some Tuesday or Wednesday afternoons depending on holidays.

We will have two practices to learn about drama club and learn about the show we will be performing. These practices are Monday, September 19th and 26th. Auditions will be October 3rd with call backs on the 4th for students in 3rd grade and up.

We have a large number of students sign up for drama so we may not be able provide parts to each student, being prepared for auditions when it comes will be very important. We will assign parts to first and second grade students based on what we do on the two Monday practices. We only need 3rd, 4th, and 5th grade students the day of auditions.

Performers (1st-5th Grade)

Drama Club auditions will be held on Monday, October 3rd with call backs by invitation only, on Tuesday, October 4th. Please have the lines and songs memorized for the auditions. Students who do not come prepared may not be asked to participate in the play this year. **(Auditions on these days are for 3rd, 4th, and 5th grade students only)**

Art Team and Behind the Scene Helpers (3rd-5th grade)

We will send more information home about this portion of our show this year in October. The sets and costuming are very different than what we have done in the past so this group will not be meeting as often this year.
