Winter Break

- ♥ **On February 2**, show your team spirit by wearing your favorite sports attire in preparation for the upcoming Super Bowl!
- ♥ **Jump Rope For the Heart:** Mr. Hyzer our P.E. teacher will be running this annual event again this year. It will take place February 12-16th during gym classes. This program offers us an opportunity to educate our students about heart disease and to help raise funds. Look for information regarding this event to come home with your child soon.
- ♥ Please join us on February 22nd for Math Olympics Night. Come learn about your child's grade level math curriculum. We will have a variety of board games, technology and math activities!
- ♥ **Attendance** is crucial to your child's success in school. We appreciate your child being on time, so they are ready to begin their day of learning. If your child is tardy we ask that you accompany them into the building to check in. The district will continue with our attendance procedure. If your child is absent 5 days or more you will receive a message from the Honeywell Alert System to update you on your child's attendance. If you are not registered with Honeywell please do so. We ask that you make sure that your contact numbers are kept updated at all times. We have been recognizing individual students as well as grade levels for their efforts in great attendance!

Enjoy the Winter Break!
February 26-March 2
