Guests

Mr. Pappas called the meeting to order at 7:02 pm with a quorum present.

Mr. Watson moved, second by Mr. Stevens, to approve the minutes of the March 5, 2018 meeting as written. The motion carried unanimously.

Financial Update

Mrs. Bartlett, Business Administrator, gave an update from March 1, 2018. The City Council did approve the 1.2 million dollar supplemental appropriation. This refunded the budget lines that we withdrew from to pay the Special Education expenditures. She informed the Committee that the District is still in a budget freeze. Some funds are now available should we have more special education expenditures before the end of this school year. Schools are still asking for paper and we are distributing it slowly.

The District will have a \$70, 000 deficit in the Food Services Fund at the end of this budget year and we have been meeting with Chartwells regarding this issue. We have applied for an At Risk Supper Meal Program for William Allen School. Mr. Hopkins met with Mr. Tanner and lunch staff. We are trying to be vigilant in getting students to eat in the cafeteria for a healthy meal.

Bid for Chromebooks

Mr. Hopkins reviewed the bid results for Chromebooks. Our Technology Department reviewed the lowest bidder carefully and it is a better price than what we had last year. We would recommend Firefly Computers.

Mrs. Stevens moved, second by Mrs. Stokes, to recommend the Board approve the bid of \$42,680.00 for 220 Chromebooks with console from Firefly Computers. The motion carried unanimously.

Bid for Office and Art Supplies

Mrs. Bartlett handed out packets showing the nine bids for Office and Art Supplies. We choose the lowest bidder for each line, so no one company gets awarded the entire bid. Discussion ensued.

Mr. Beaulieu moved, second by Mrs. Stevens, to recommend the Board approve the low bids for Office and Art Supplies as recommended. The motion passed unanimously.

Items from Personnel

Mrs. Stevens moved, second by Mrs. Stokes, to recommend the Board approve the RFT request for the donation of up to twenty-five (25.0) sick days on behalf of Para-Educator J. B.G. The motion carried unanimously.

Public Comment – None

Other – None

Adjournment

Mr. Beaulieu moved, second by Mrs. Stevens, to adjourn the meeting at 7:10 p.m. The motion carried unanimously.

Respectfully Submitted,

Mr. Matthew Pappas, Committee Vice-Chair
