

Rochester School Board/City Council
JBC Subcontractor Approval Sub-Committee Minutes
School Department Board Room
July 22, 2015

DRAFT

Members Present:

Mrs. Sandra Keans
Mr. Raymond Varney
Mr. Daniel Harkinson

Members Absent:

Also Present:

Mr. Michael Hopkins
Mr. Richard Bickford
Ms. Marilyn Martell

The meeting was called to order at 2:33 p.m. with a quorum present.

Bids

Mr. Hopkins, Superintendent of Schools, reviewed the furniture bid results and options to seek pricing estimates on those items that no bid was received. At this time we are still significantly under budget within the furniture line.

Mr. Harkinson moved, second by Mr. Varney, to accept the Superintendent's recommendation for furniture bids as presented; not including the bid from Wayfair for the Wheelchair Swing. The motion carried unanimously.

Other

Mr. Hopkins provided an update in response to an e-mail received from an abutting neighbor regarding the exterior masonry of the new building and old building do not match. The Lavallee|Brensinger and Hutter Construction are looking at a solution to upgrade the exterior of the old building. This potential modification will be brought up at the next JBC Meeting.

Paving is scheduled for the week of August 17th and moving into Preschool and other finished areas are anticipated for the week of the 24th. Temporary parking arrangements are being determined for the start of the school year when there is construction vehicles also on site.

Adjournment

The meeting was adjourned at 2:53 p.m.

Respectfully submitted,

Mr. Michael Hopkins
Board Secretary
