RMS Activity Proposal Form

Name of club/organization: RMS Soccer Team

Name of person submitting proposal/Club Advisor: Stephen Lynch

Purpose/General Description: To put together a middle school soccer team to compete against other middle school teams. Build a feeder program to support high school level soccer.

Current/Expected Enrollment: Ideally 18 1 boys team and 1 girls team

Is it open to all grades, genders, etc. (details)? 6-8th open tryout- We'd prefer to have a 7th and 8th grade team but still unsure if we have enough numbers.

Frequency of meetings/day/location: Total game schedule will consist of approximately 6-8 games over the course fall season plus 2 weekly practices when field space is available.

Is an advisor stipend requested (this will make approval take more time)? Yes Amount \$1

Will there be money needed to run this group? No

Where will it come from? It will be 100% funded by fundraising efforts from the students, parents and supporters of this program

Is a student activities account needed? Yes

What do you see as the future vision of this group at SHS? We see this as a great opportunity for the students to represent their school and show their school pride (by playing or supporting). Our hope and ultimate goal is that we create a program that continues for years to come and that it's another assets to our community and our youth. Ideally this program would assist in developing quality players to support the high school soccer team.

RETURN THIS FORM TO THE PRINCIPAL'S SECRECTARY WHEN COMPLETE.
