## Rochester Middle School Soccer Board Inquires

If there aren't enough girls can they play on the boys team?—There are not many coed teams so that would be a board decision, there is no rule against it as there is no MS athletic association, we would prefer 2 separate teams.

Field availability?- We would be using the Rochester Middle School field and would only have to schedule around Spaulding High School soccer preseason schedule.

How long would program be self funded?- Would like to see a process that in 3-5 years we revisit the board and request funding (if any available) if program is sustained with good #s etc....
