Rochester School District Twitter

Our district uses Twitter to share educational information including school delays/cancelations and emergency notices. In addition, we will use this communication tool to *tweet* important transportation updates, such as, if an STA bus should have mechanical issues and as a result has an extended delay. Safeway will communicate directly with families if there is a relevant transportation issue.

You can follow our Twitter feed on our district website (www.rochesterschools.com) or through your own Twitter account. Please note, the Twitter feed is not visible on our website if you are using Internet Explorer as your browser.
