***Rochester School District Twitter***

Our district uses Twitter to share educational information including school delays/cancelations and emergency notices. In addition, we will use this communication tool to *tweet* important transportation updates, such as, if an STA bus should have mechanical issues and as a result has an extended delay. Safeway will communicate directly with families if there is a relevant transportation issue.

You can follow our Twitter feed on our district website ([www.rochesterschools.com](http://www.rochesterschools.com)) or through your own Twitter account. Please note, the Twitter feed is not visible on our website if you are using Internet Explorer as your browser.
