

Graduation Rate

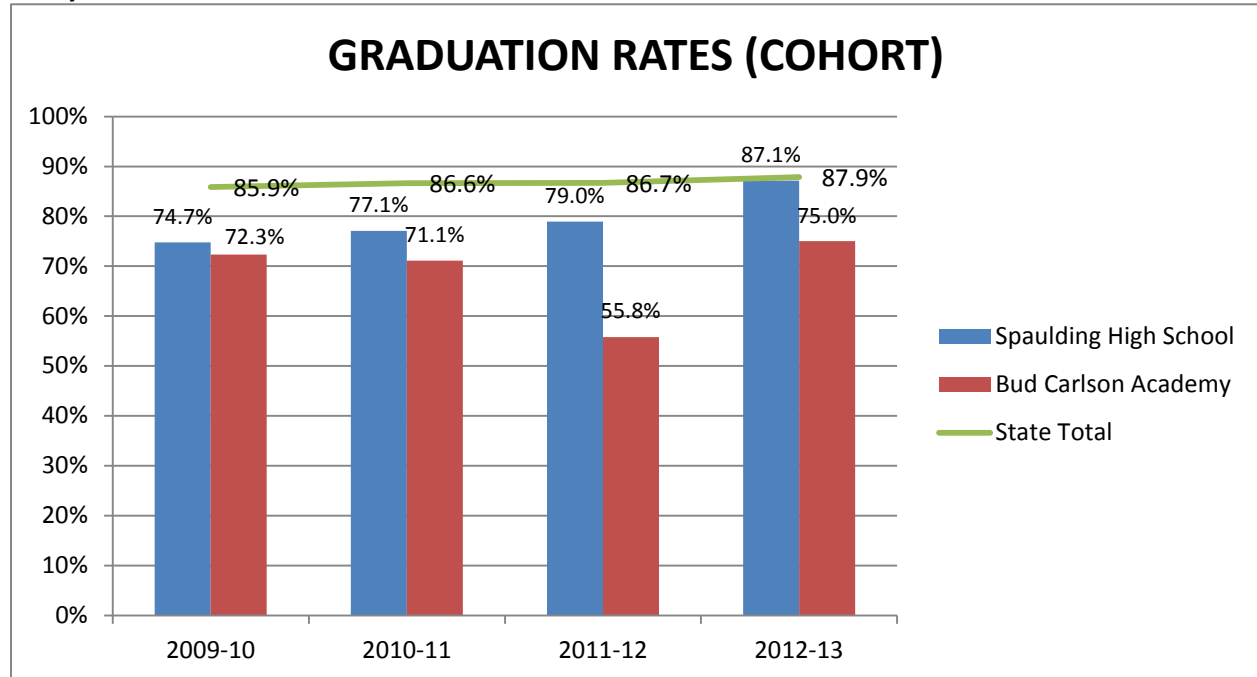

Define the problem

Students will struggle to graduate from high school in a school environment where the expectation is “one size fits all.” The continued promotion of the CTC programs, Alternative Pathways, RCE, Bud Carlson, as well as taking a “whatever it takes” approach to support students to has had a positive impact on the annual graduation rate

Establish Measures

Over the last four years, the graduation rate has steadily increased and equaling the NH state average graduation rate.

Analyze Data

Set Goals

Continue to increase the percentage of students graduating from Spaulding High School

Implement Changes

- Continue to develop and maintain programs such as CTC, Alternative Pathways, RCE, and Bud Carlson that provide students a variety of paths and supports to attain a high school diploma
