

Post-secondary Rate

Increase post-secondary enrollment (by 7% per year) to insure that at least 65% of BCA graduates will attend a post-secondary program by June 2017 .

Define the Problem/Objective

The district wants to ensure that students recognize their access and potential to continue their education after high school graduation.

Establish Measures

- Acceptance/Enrollment to a 2 or 4 year College
- Enrollment in Armed Services
- Enrollment in career trade / and or apprenticeship program
- Enrollment in public service program (i.e. AmeriCorps.)

Analyze Data

- The number of graduates with transition plans that included stated measures
- Tracking past students(when possible) for more accurate long term data

| Year | Goal | Actual (College) | Actual (A.S.+) | Actual (Total) |
|------|------|------------------|----------------|----------------|
| 2017 | 65% | | | |
| 2016 | 58% | | | |
| 2015 | 51% | | | |
| 2014 | | 31% | 13% | 44% |
| 2013 | | 24% | 9% | 31% |
| 2012 | | 46% | 19% | 65% |
| 2011 | | 38% | 2% | 40% |
| 2010 | | 21% | 2% | 23% |
| 2009 | | 17% | 5% | 22% |

Set Goals

- Establish Senior Advisory class that focus' will include but not be limited to: transitional planning, college application processes, FASFA application process, and introduction to career training/apprenticeship opportunities.
- Perform career aptitude/interest testing upon enrollment in BCA and continue monitoring through Career Cruiser
- Increase E-Start and other early college enrollment
- Train all teachers on Career Cruiser to ensure relevant student work is uploaded into a digital portfolio
- Provide access to CNA/LNA training
- Increase enrollment in Regional Technology Center Courses

Implement Changes

Monitor Results

- College Applications and acceptance verification
- Armed Services recruiter verification
- Completion of FASFA application process
- SAT, Accuplacer and ASVAB testing
- End of Year reporting to DOE and School Board
