News from our cafeteria!

We will be accepting **CASH ONLY** as of June **12th**
for the School Lunch Program for the rest of the
year.

Principal's Corner

The last day of school, students will be dismissed Friday, June 23rd at 12:00pm.

Two entrees will be offered to students during the weeks June 5 and June 12 with the goal of students making healthy choices.

Relay recess: The week of June 12th we will learn about cancer prevention, healthy eating habits. We will also honor cancer survivors and caretakers. Please call if you are a survivor or caretaker interested in participating in our special assembly on Friday, June 16th.

Fourth Grade: June 7th- Scholarship Instruments are due.

Thunderstorms at dismissal

If we are experiencing a thunderstorm during dismissal at 2:15 or 3:00pm, we may choose to hold students in the building until the weather is less threatening. You may come to the door and dismiss them if it feels safe to you.

Dress Code

Our students love to play at recess. We have a fair amount of woodchips and pavement. Flip flops are hard for students to run, swing, and kick a ball. These are activities kids enjoy while on the playground.

Summer Wishes

✍ It has been a great school year at School Street. I have so enjoyed connecting with students, families and staff. Please stop by and say hello this summer. Please be safe, have fun and encourage our kids to use the school website, play outside and enjoy a good book. Remember, students entering 1st, 2nd, 3rd, 4th, and 5th are able to participate in our July Summer Academy. Please look for the Summer Academy information on June 16th. I look forward to seeing each of you in September.

Hugs,
Mrs. Hersom

Box Top Thank You!

A special thank you goes out to everyone who sent in Box Tops. We earned money to defray the cost of buses for field trips etc.
