ATHLETIC RULES AND REGULATIONS

SPAULDING HIGH SCHOOL ATHLETIC RULES AND REGULATIONS ROCHESTER, NEW HAMPSHIRE

PREFACE

The following rules and regulations have been designed to bring about an understanding between the student-athlete, the family, and the Athletic Department. It is required that the student-athlete and parent/guardian sign this agreement, thereby fully realizing the effort and dedication that the program requires. By signing this agreement it indicates a full knowledge and understanding of the rules, regulations, dedication and supports that participating in this and all sports demand.

GENERAL ROLE AND RESPONSIBILITY

It is expected that the student-athlete will display appropriate behavior in school, contribute to school spirit by participating in various events such as rallies, respect the abilities of the other sports, and show a spirit of cooperation with teachers and school officials.

ELIGIBILITY

1. Student athletes must abide by the N.H.I.A.A. eligibility rules. A copy of the rules may be seen by contacting the Athletic Director and/or coaches.
2. Physicals completed **prior** to June 1st of a student's eighth grade year, are good for one year. Physicals completed **after** June 1st of a student's eighth grade year, are good for the remainder of their high school eligibility.
3. A student may not compete in interscholastic athletics during that school year if his/her nineteenth birthday is on or before September 1st.
4. No student is eligible for competition for more than eight consecutive semesters beyond the eighth grade.
5. Student-athletes shall become eligible or ineligible during the school year when report cards are issued at the end of each quarter. It shall be the responsibility of the Athletic Director and Principal to check the academic eligibility of all student athletes.
6. Student eligibility is based on quarter grades and not final grades. The current NHIAA requirement for a school with block scheduling is to pass the equivalent of four units per quarter. A one-credit course meeting ninety (90) minutes per day, carries an equivalency of two units. A student-athlete must meet the minimum requirements for eligibility by NHIAA standards, plus receive no more than one Not Yet Competent (NYC) **or** Insufficient Work Show (IWS) each mid semester grade or final grade for a nine week course. A passing grade is based on the current policy of the Rochester School Board. Academic eligibility applies to all student-athletes in all sports at all times. Credit(s) received through Summer School does not count as a passing grade.
7. Any student-athlete suspended from school is also suspended from extra-curricular activities for the same duration of time.
8. Any student-athlete who at any time has received financial compensation for participating in sports that are recognized by the N.H.I.A.A. shall render the student ineligible for all high school sports from the date of receiving compensation.
9. The student-athlete is responsible for, and must return; any equipment used or make restitution for same prior to participation in another sport or graduation.

 - There has been unfairness in the hearing process.
 - There is newly discovered important evidence not known at the time of the hearing or disciplinary action.
 - iii. The burden of proof is on the appellant that no substantial evidence to support the finding is present.
6. Any second expulsion shall result in suspension from all athletics for 365 days from the time of the second infraction.

NOTE: The Head Coach has the authority to discipline student-athletes beyond what is outlined within this policy.
