PUBLIC SOLICITATIONS IN THE SCHOOLS

As a general policy there will be no solicitations within the schools for any purpose whatsoever. No commercial enterprise may be represented in the schools and there will be no sale of goods or services on the premises.

Any request for the exception to this rule must be submitted in writing to the School Board or its agents (Superintendent and/or Principal) at least 30 days prior to the implementation of the requested activity.

The School Board reserves the right to grant exceptions. Examples of possible exception include the following:

1. PTA, PTO membership activity
2. Music lessons given on the premises in compliance with RSA 193:6 (Substitution of private instruction in music) provided that all fees are handled by the music instructor.
3. A Book Fair

The foregoing policy is for the purpose of insuring maximum instruction time for the teacher and in no way reflects a negative attitude toward many of the very worthwhile civic and charitable activities sponsored within the community, either on a strictly local basis or as part of a regional, state, or national activity. The above does not apply when buildings are rented by an organization.

No funds will be solicited from school district employees on school property by organizations or individuals not employed by the school district with the exception of the United Way.
