Indoor Bodies & Voices

Starting on Monday, you may hear your student talk about getting a ticket at school. Don't worry about those tickets, in fact they can be celebrated! Tickets will be passed out when students are using their Indoor Bodies and Voices inside. We are a Positive Behavior school, teaching and honoring good school behaviors. Class room tallies will be kept for two weeks and shown in the lobby. (With 'mega tickets' which will be recorded for every 10 classroom tickets.) We will wrap up the week with all successful classes having an extra recess!
