

**East Rochester School
773 Portland Street
East Rochester, NH 03868
(603) 332-2146**

The mission of the East Rochester School community is to provide a rich academic experience, create a foundation for life-long learning and to instill character in a safe and nurturing environment.

August 2017

Dear ERS Families,

Summer is coming to a close and it is time to start thinking about school! Last year's academic gains and improvements were truly remarkable due to the perseverance of staff and students.

East Rochester School is a caring and safe learning community where everyone strives to reach their highest potential.

Our school was rated as "highly effective" in reading and "effective" in mathematics based on student achievement using the NWEA common assessment. East Rochester School is committed to providing quality educational experiences. A personalized learning approach will be utilized to engage students, who are reflective learners that have ownership of their learning. A personalized learning approach is aligned with our competency-based education model allowing students to progress at their own pace. Learning is tailored to the individual student rather than a one size fits all model.

The first day of school is August 30, 2017. The building opens at 8 am and school ends at 3 pm. Enclosed is a First Day Transportation Form, **please have your student (s) bring this to school with them on the first day or mail it directly to the school.** This communication is essential to ensure student safety. Enjoy the rest of your summer vacation and we look forward to seeing you on Wednesday, August 30, 2017.

Open House is on September 6, 2017 at 6 pm.

Sincerely,

Christine Hebert
