

How to access Google Classroom Blizzard Bag Assignments Spaulding High School

If you already know how to use Google Classroom here are the [Blizzard Bag Google Classroom Codes](#)

Students must be logged into their sau54.org G Suite for Education account to access.

How to Access and Join a Google Classroom

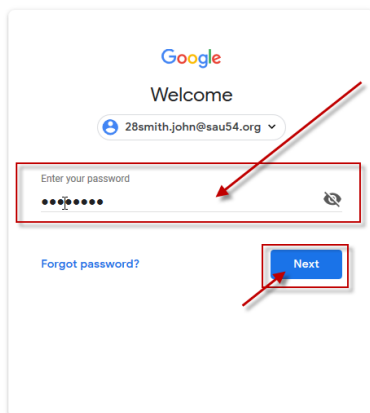

1. Using the **Chrome** Browser Go to classroom.google.com.
2. If the student is not already logged into their sau54.org account, the student will be prompted to sign in with a sau54.org G Suite for Education account.
 - Enter the student username.
Example: Username: 20smith.john@sau54.org
(Year of graduation lastname.firstname @sau54.org)

The screenshot shows the Google sign-in interface. At the top, it says "Google Sign in with your Google Account". Below this is a text input field labeled "Email or phone" containing the email address "28smith.john@sau54.org". A red box highlights the input field, and a red arrow points to it from the right. Below the input field are links for "Forgot email?", "Not your computer? Use a Private Window to sign in. Learn more", and "Create account". At the bottom right is a blue "Next" button.

- Enter the student's Password
(The password that was given the student at school.)
Press the "Next" button

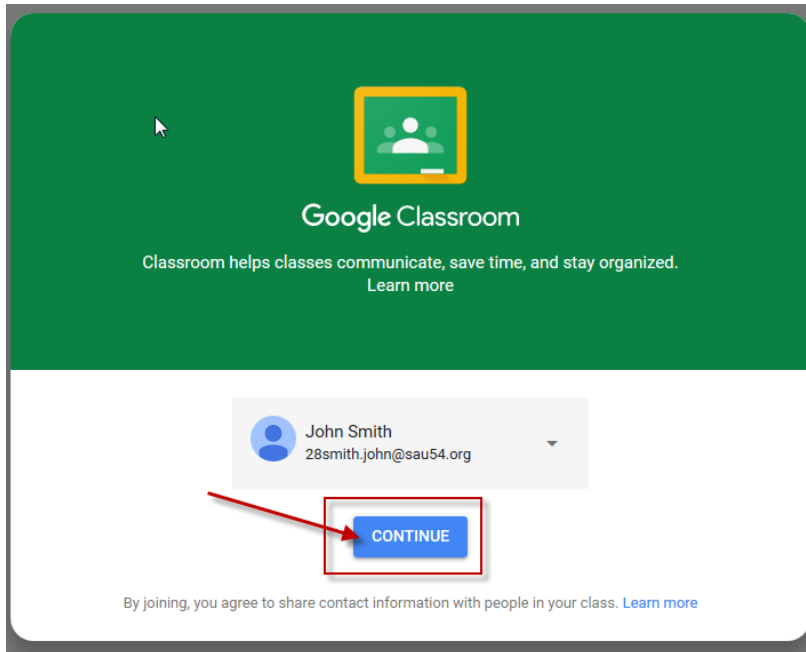

The screenshot shows the Google password entry interface. At the top, it says "Google Welcome". Below this is a dropdown menu showing the email address "28smith.john@sau54.org". Below the dropdown is a text input field labeled "Enter your password" containing several dots. A red box highlights the input field, and a red arrow points to it from the right. Below the input field are links for "Forgot password?" and a blue "Next" button. The "Next" button is also highlighted with a red box and a red arrow pointing to it from the right.
