The meeting was called to order at 7:09 p.m. with a quorum present.

Mrs. Stokes moved, second by Mrs. Grassie, to approve the minutes of the May 16, 2019 meeting. The motion passed unanimously.

Mr. Hopkins shared the Microsoft Publisher format of the strategic plan. The Committee discussed what they liked and suggestions for changes. Mr. Repucci will work with Shirley Greer our web designer to develop a web page. The Design will include the mission on the top center, and personalized learning information in the center column. The left and right columns will have four different objectives with bullet points to lead the article. When you click the section, the objective will open in a new full page. The Committee will review these changes next month.

Mrs. Stokes moved, second by Mr. Turner, to adjourn the meeting at 7:37 p.m. The motion passed unanimously.

Respectfully Submitted,

Mr. Michael Hopkins, Superintendent
