- After you have completed the registration packet, click the download button in the upper right corner of the screen.

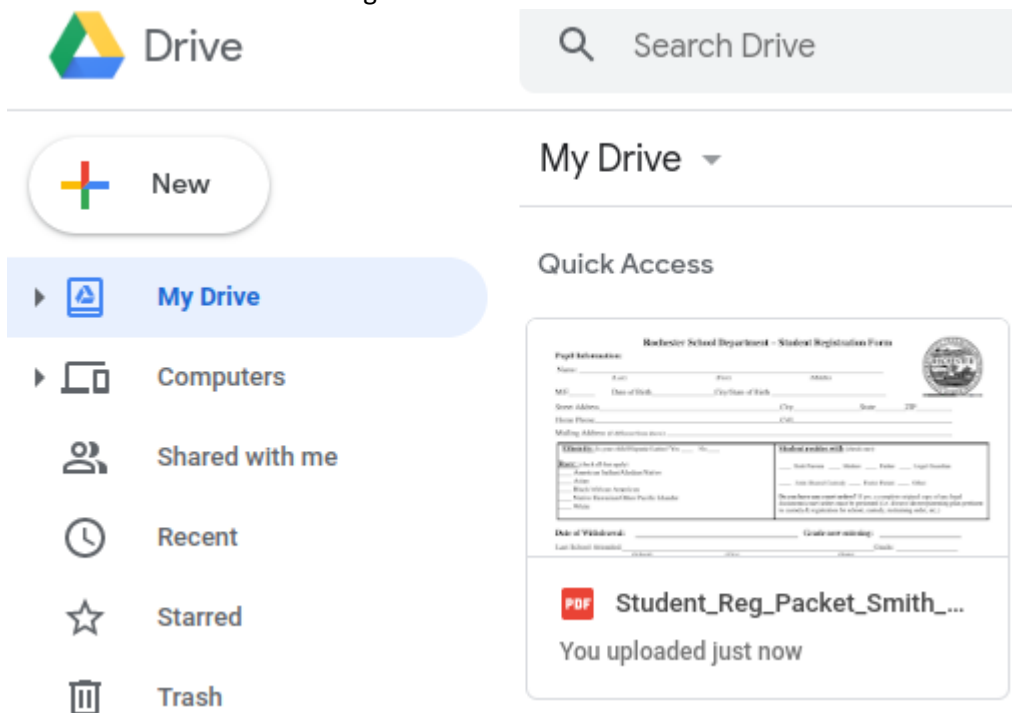

- The “Save file as” window will open

7. Change the name of the file so it includes the student's name. For example, "Student_Reg_Packet_Student_Name" (Your student's name). Click the "SAVE" button.

8. The form will be saved to Google Drive.

9. Next you can either print out the packet and send it in the US mail to the address to the appropriate address or create an email and attach the file to the email. Remember to include the other required documents, a birth certificate, proof of residency, immunizations records and proof of physical.
