STAFF COMPLAINTS AND GRIEVANCES

The Board subscribes to an orderly, well-defined grievance procedure for the resolution of problems derived from applications of board policies and district regulations. Grievances will be handled expeditiously in accordance with the procedures approved by the Board.

The machinery set up for the resolution of "grievances" in agreements between the Board and recognized employee organizations will apply only to grievances as defined in the particular agreement. Chain of command procedure should be used in all other instances.
