**Parental Notice of Intended Movie Performance**

**(Rating Issue Involved)**

It is my intent to use a movie created primarily for entertainment purposes as part of the instruction in your child's classroom. This is done because the subject of the movie, and treatment of the subject, are very closely related to the curriculum of the Rochester School Department and instructional objectives in the course that I teach and will, in my opinion, provide a better understanding of the topic than other available materials.

**Please note that the rating of this movie may warrant your special attention.**
