FEDERAL EDUCATION AGENCY RELATIONS

In addition to its interest in being informed of the availability of federal education funds, the Board is also desirous that the administrative and instructional staffs be fully informed concerning any services or publications beneficial to the school district that may be available from federal education agencies such as the U.S. Office of Education, the National Institute for Education, and the ERIC Clearinghouses. The Superintendent is instructed to develop written procedures for the implementation of this policy.

Adopted: April 8, 1993
School Board Review/Approved: April 9, 2015
